How to help your child read:

Step 1: Find Yuedu - 24 via
<http://oaccclil.wikispaces.com/>

Step 2: Help your child to listen to the recording and read the text aloud.

Step 3: Help your child to look at Pinyin (the alphabet) and read the text again.

Step 4: Help your child to look at the Chinese characters only and read the text once more. (You may cover Pinyin this time.)
